MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM:

Director of Security

SUBJECT: Office of Security Significant Activities
Week of 4 - 10 June 1987

1. This memorandum is for information only.

2. The activities of the Office of Security (OS) during the week of 4 - 10 June 1987 were highlighted by the following items:

25X1

*e. On 4 June, OS representatives and the Deputy Director for Employment, Office of Personnel met with senior Federal Protective Service representatives regarding the special recruitment for our Security Protective Service of former and current Federal Protective Officers assigned to the Agency. Topics discussed included possible medical waivers, training, salaries and compensation.

25X1
25X1

S E C R E T

f. During this period, an OS representative accompanied Directorate for Intelligence (DI) television production representatives for a three day visit to General Electric Co., Valley Forge [REDACTED]

g. On 9 June, an OS representative provided a special EOD briefing to 23 Career Trainees (CTs) under the Camp Kubark Program. The Camp Kubark program consists of students entering their last year of college who have submitted applications and completed early processing for the CT Program. These students will participate in training exercises for three months during this summer and then EOD full time next year after graduation.

h. OS Security Education Staff (OS/SES) has made their security awareness briefings available to all Government agencies and to those companies in Industry with whom the Agency does business. On 3 June, an OS representative provided 101 medical personnel at the Bethesda Naval Hospital with a briefing on the threat of Soviet Espionage, at the request of the Hospital Staff. [REDACTED]

i. In the past week, OS/SES and the Headquarters Badge Office have been relocated. SES has relocated to the second floor of [REDACTED] Building, [REDACTED] the Headquarters Badge Office has relocated to the former Main Reception area. [REDACTED]

j. On 4 June, OS/Information Systems Security Division (OS/ISSD) and Office of Medical Services, Safety Division representatives tested an inventive new procedure for destroying Wang disk packs using a [REDACTED] solution. The results were encouraging. [REDACTED]

k. On 4 June, an ISSD representative met with representatives of the Intelligence Community (IC) Staff and Mitre Corp. to discuss security products being tested by ISSD. The IC Staff requested that ISSD keep them up-to-date on these security products so that a coordinated effort can be made to select security products for the Intelligence Community. This group was briefed on the status of [REDACTED] products which are currently being tested. [REDACTED]

l. On 8 June, ISSD representatives met with Chief, Field Systems Group (FSG), IMS/DO, to discuss plans for software analysis of the Wang Alliance disk packs that are being returned [REDACTED] The purpose of the meeting was to discuss the methodology for analyzing the packs, and to identify the team members and the location of the analysis. Focal points were named from each office and it

S E C R E T

25X1 was determined that the analysis will be conducted on the FSG
Alliance system at [] Wang utilities will be the
software basis for the analysis; however, other software tools
25X1 may be used as the analysis progresses. A final report of the
analysis will be made available to OS and Directorate of
25X1 Operations managers. []

*Items which may be of interest to the DCI.

10 June 1987

MEMORANDUM FOR: Chief, Policy and Plans Staff

FROM:

Deputy Chief, Security Education Staff

SUBJECT: Weekly Items
3-9 June 1987

1. On 3 June 1987, a representative of the Security Education Staff briefed 101 medical personnel at the Bethesda Naval Hospital concerning the Soviet Espionage Threat. This briefing was conducted at the request of the Naval Hospital Staff.

2. The Security Education Staff completed its relocation to the second floor and opened for business on Monday, 8 June.

3. The Deputy Director for Security and the Chief for Security Operations from the Strategic Defense Initiative Organization attended the Security EOD Briefing on 9 & 10 June 1987. The SDIO is in the process of implementing a security awareness program and hope to begin an EOD program of their own.

4. A three-hour make-up session for the 27 April to 1 May SOTP Program was conducted on 8 June in the Building with 14 students in attendance from Physical and Technical Security.

5. On 9 June 1987, a Security Education representative provided a special EOD briefing at HQS to 23 CT's under the Camp Kubark Program. Camp Kubark involves students entering their last year of college who have signed up for and completed early processing for the CT Program. The students will undergo three months of training during the summer prior to graduation and then EOD full time next year.
